John Cole

Governor's Honors Program

My summer at Governor's Honors at Wesleyen College in Macon was the best I have ever spent. In addition to my regular studies in Communications, I had four interest areas or electives.

Communications (English) dealt with verbal, written, physical, and mass communications. And for three weeks we studied our own personal values and beliefs. For mass media, I worked with video recording equipment.

My interest areas were first aid, tennis, chorus, and dance. The chorus performed twice, and I performed in a duet at our dance concert.

The summer gave me a taste of college life and being on my own. I would not take the world for those six weeks.
